Friends of Recreation – Supporting our Youth

Kalamazoo's *Friends of Recreation* works to ensure that local funding for parks and recreation activities will continue to be available for our youth. Proceeds will go towards the *Friends of Recreation* endowment fund. The endowment has provided over \$15,000 in program scholarships to city residents and over \$3,000 towards the after-school tutoring program. Cash donations are always appreciated. Call (269) 337-8191.
