Alderman Stedman from the Special Committee to whom was referred the petition of Mr. Fanny Jennings asking $20,000.00 for injuries alleged to have been caused by gallows on defective sidewalk in the north part of the city made the following report:
Regular Meeting Sept 7, 1885.

To the Mayor and City Council of the City of Kalamazoo,

Your Committee has the honor to submit the petition of Mrs. Fannie Jennings, whose claim for damage for personal injuries sustained while crossing the street, by falling upon an alleged defective sidewalk, have been referred to them to report as follows:

That they have had the matter under consideration, and have heard the statements of several witnesses produced by the petitioner and arguments of her attorney, and after carefully considering all the information on the subject they were able to entertain they are not convinced of the legal or moral liability of the city as the premises.

Report adopted.

That while by no means admitting the legal or moral liability of the city, they were of the opinion that a reasonable compromise and settlement could be shown to be equitable for all parties, and with that end in view, they entered into some negotiations looking to a settlement, but they were informed by petitioner and her attorney that she would not accept of a settlement, a sum and thereupon

Special Meeting October 12th 1885

The Mayor being absent, the President of the Council (Mr. Call) called the Council to order at 9:30 a.m. October 12th, 1885.

President: Alderman H. A. Hatcher, acting as President, called the Council to order at 9:30 a.m. October 12th, 1885.

Aldermen Hatcher, Jones, and the Committee on Sewers asked that the regular order of business be suspended.

Order of business being waived

Mr. Hatcher submitted the following report:

To the Hon. the City Council of Kalama, Gentlemen

Your Committee on Sewers would respectfully report the necessity of the passage of a Resolution bearing on the matter of Sewer Assessment Rolls, Vol. 3, of reports by the Board of Assessors at the usual meeting of the City Council held on the 2d of October, 1885, and beg to submit such Resolution for your Consideration.

Signed Fred Nutting (In Mayor's Absence)

Resolution

Whereas, the Board of Assessors of the city of Kalama, pursuant to the order of the city council, under action taken on September 7th, 1885, noted of such action being received by the Board of Assessors on the 17th day of September, 1885, have made...
an assessment on Saline sewer known and designated as Lateral No. 32, 33, 34, 35, 36 & 37 contained and being in Sewer Assessment Roll No. 3 and have also made an assessment on Saline sewer known and designated as Lateral No. 29, 30, 31, 38, 39, 40 & 41, contained and being in Sewer Assessment Roll No. 4 and have reported the completion of such sewer assessment roll No. 3 and 4 and the filing of the same with the city clerk, also

Whereas: The provisions of Section 13 of Chapter 33 of the statute of the city of Kalama were required that before enrolling any assessment roll that notice shall be given by publication in a newspaper of the city at least one week of the filing of assessment roll with the city clerk and appointing a time for the meeting of the city council and the Board of Assessment to review the same.

Therefore Resolved: That the city clerk be and he is hereby directed to publish notice of the filing of sewer assessment roll Number 3 and 4 and that the meeting of the city council and Board of Assessment for the reviewing of said assessment roll will be held in the council room at the city hall on the 24th day of October 1885 at 10 o'clock A.M.

encouraged as the Council had to lately granted a franchise to the Calumet and Electric Company for the occupancy of the streets and the nails of poles to be used for electric purposes, and such Company paying such rent in the meantime.

Report tend on objection of the Council had purchased largely stock on the petition.

The ordinance and maintenance of the plant contemplated under the ordinance and by means of such franchise being to grace and build outlay barely made, we deem it for the interest of our citizens (considering the fact that we will obtain under the franchise a first-rate electric light) not to encourage any private companies at the present time and therefore recommend that the prayer of the petitioners be not granted.

Mr. Adams moved the adoption of the motion supported by Mr. Adams.

Mr. Reed spoke in opposition to the adoption considering his perfect rights that the petitioners should by endorsed against this as in any other similar case and further the report would not be adopted.

Mr. McCallum defended the petitioners taken by the Committee as justified, being a matter of honor on the part of the Council, with the party obtaining a franchise to defend the rights of such party.

Mr. Adams also spoke in support of the petitioners.

Mr. Thorne spoke against the adoption on the ground that all parties should be treated alike, making exceptions should be Considered and all parties could understand to their best advantage and opportunity, and that they should allow Mr. McCallum sustained the petitioners taken by the Committee and stated the motion was not adopted.

Mr. Adams also spoke against the adoption as the Council had to lately granted a franchise to the Calumet and Electric Company for the occupancy of the streets and the nails of poles to be used for electric purposes, and such Company paying such rent in the meantime.
The position of the Council with the Hingham Electric Company was that the nature of a contract and good faith must be maintained, and if they were not performed there were of such contracts, and this would practically give a discretion of interest to the Company. All contracts in the ordinances of our charter to disturb the relations now existing between the city Council and the Hingham Electric Company.

Mr. McCormick addressed the Council and claimed the right of the petitioners to be granted the privilege asked for, and stated that their desire to operate as a field company, but also claimed it to be a duty of the Council to grant such permission upon a request being made doubting the power of the body to deny the request of acting in such conformity with the city charter provisions.

Mayor Delory called President of the Council to the Chair.

The Mayor then addressed the Council and stated his view that the effort would be adopted as the integrity of the Council were a matter for good concernation and he trusted the body would by its act favor barbers' practice whose good faith had acted under the stipulations laid down by the Council and performed to live up to their agreement in every particular. Further, the Council were to have bound to stand by the practice of the complaint with the requirements laid down for their government, the matter of competition was easily taken care of both at the present time and of the Council were one to consider the rights already granted and the stipulations no longer. New rights to new practice.

Adjourned Meeting December 28th 1878

Pursuant to adjournment the City Council met at the Council Room City Hall on the evening of December 28th 1878.

Mayor Ckeff called the council to order at 8 o'clock.

The record of meetings held December 7th, 11th, and 21st were read and approved.

Mayor stated that the call being special in its nature, and principally for the purpose of hearing the reports of the Committees on Street Railways regarding the conducting of the business and the fulfillment of the obligations of the parties operating lines in the City, the chair directed that said reports be submitted to.

The Committee on Street Railways made oral report to the effect that several of the ordinances relating to Street Railways compel the Street Railway Company to perform its obligations under the ordinances and offered the following preamble and resolution for the action of the Council.

Resolution

Whereas, The Kalamazoo Street Railway Company of the city of Kalamazoo, Michigan has neglected and refused to comply with the ordinances of the said city of Kalamazoo, relative to Street Railways, to run their cars on the time prescribed as said ordinances, and

Whereas, It is morally certain that said railway company do not intend to comply with said ordinances under which it exists, in completing the fares therein required to be collected on or before January 1st 1876 within the time limited.
Adjourned Meeting December 23rd 1886

Whereas, the Committee on Street Railway and the City Attorney of said city, to whom the matter was referred, have made a report to the city council of said city, and they find the provisions of the ordinance under which said Railway Company obtain their rights ample sufficient to prevent the interference of said city and the inhabitants thereof.

Resolved, that the city council of the city of Balham, and the proper legal steps be at once taken to secure and protect the rights of said city and the inhabitants living in the premises, unless said company shall proceed without delay to comply with the provisions of the ordinance of said city relative to street railway companies in them by mail of a certificate city of these resolutions.

Resolved further that the city solicitor, and the city attorney are instructed to send by mail certified copies of these resolutions to the city solicitor in London, and to the managers of said street railway company, and also to the bond holders of said company, so far as same can be ascertained by him, and that he also sends with said certificates copies of sections 16 and 19 of ordinance No. 6 of the Village of Balham and section 1 of Ordinance No. 24 of the city of Balham.

The report together with the resolutions were put to a vote of the year and was adopted by a full affirmative vote of the council present.

Mr. F. It shall good reason explain with reference to the management of the said Railway of the city, and endeavor to show that very little blame was attached to the Railway employed, but Mr. Salter on his statement substantiated gross neglect on the part of

Vandana to adjournment the City Council met at the Council Room (in vain) on in the afternoon of January the 19th 1886

Mayor McCowen Called the Council order at 2:30 o'clock

The Mayor stated that the further consideration of the matter of opening Ritchie Street South to Ache Street was in order, and any further objection to the opening of said street could be heard.

Mr. J. D. Woodburn on behalf of the Kali Gaslight Co. said the proposed street would be objectionable to them as it would interfere with land now owned by them and privileges they now enjoy and on these grounds they object to it being laid out as contemplated.

Mr. S. McCleanly on behalf of the Kali Sugar Co. briefly but effectively stated the objection made at last meeting on the proposed route to be followed. Stating further that provided the street was carried on a straight line with the present line of Ritchie Street the Kali Sugar & Ache Company would grant the city a right of way for said street across lands owned by the company.

The Council then proceeded to lay the proposed line of Street and also the one proposed by Mr. McCleanly. Opning then returned to the Council Room.

Alderman Hutches offered the following motion which was adopted:

Moved: That the further Consideration of the subject of opening Ritchie Street South to Ache Street be laid over until the next regular meeting of the City Council.
Alderman Roy then offered the following motion which was adopted.

Moved, That the Mayor, the Chairman of the committee on Streets & Bridges, and the City Attorney be constituted a Committee for the purpose of investigating in relation to the proposed extensions of Pitched Street, both for Report and for a report to the house reported on by the committee on Streets and Bridges and any other route they may deem advisable to pursue, in the interest of the line of the proposed streets and obtain a foothold of the cost of the right of way to the City and that such Committee report its doings to the City Council.

Upon motion of Alderman Roy the Council adjourned.

City Clerk.

Owen W. Hoy
Mayor.
A special meeting of the City Council was held in the Council Room on the evening of March 15th, 1880.

(Mayor Black) called the Council to order at 9 o'clock.

Present: Alderman Suller, Hobbs, Skelley, Long, McKenna, Blevins, Apol, Smith & Hood.

The reading of the minutes of the regular meeting was suspended.

Petitions

Petition of F. J. Williams and others for the payment of David Smith and the removal of obstructions from said street. Referred to Board on Streets & Bridges.

Petition of J. Westover and 13 others for the building of sidewalk on North side of Lake Street from Randolph Street to Cottage Street. Referred to Board on Streets & Bridges.

Reports of Standing Committees

Alderman McFarren, from the Committee on Water & Sewerage, reported that the official test had been made on the new Pumping Engine at the Water Works, and that such test had been commenced March 5th at 11 o'clock A.M. and continued for 24 Consecutive hours and that the test was in all particulars satisfactory. The greatest care had been taken in the construction of such test and all tests having charge the various parts of the same discharged their duties faithfully. The official engineers selected a competent board to test the work. Mr. Hill of Cincinnati had made a full written report of the tests which the Committee desired to publish for the consideration of
Special Meeting March 16th 1856.

Council and to take such action as they might deem expedient in the premises.

The report of John H. Hill on the Pumping Engine test was thus read and in substance was as follows:

After stating in full the capacity, dimensions, and distances from the various centers and elsewhere pertaining to the Engine he gave the length of the drift lead as 102.728 feet and found for every 100 pounds of coal consumed, exceeding by nearly 300,000 feet or 90,000,000. The capacity developed at a velocity of 150 feet per minute, was 3,600,000 U.S. Standard Gallons for each 24 hours, giving an allowance of 2,1998 for each of capacity for loss of action. The futility of the pumped water thus fulfilled the contract requirements by requiring 10,000 gallons for each 24 hours. The fire took place. The fire took place and the heat of the engine passed over the first pressure cylinder and the speed of engine could only be safely increased to 50 revolutions per minute. It was found that the engine complied fully with the specifications and agreements as to pressure, and power of the principal parts, and that the engine was capable of standing severe service up to a total head or pressure on the pump only above 150 pounds at the rate of 2,000,000 gallons per hour of 24 hours.

Upon a call of the House of Days the Report was read and adopted by a full affirmative vote of the Council and then

Report of Standing Committee

Alderman McLarry gave the Committee on Finance a report from the Board of City Treasurer, recommending its approval. The report from the Board of City Treasurer was read, and it was voted that the report be referred to the Finance Committee. The report was read and

Upon motion, the City Treasurer's report was approved.

Mr. McLarry also presented the report of the Water Commission, J. Warren Haverfield with secretary, Messrs. A. B. Engstrom, J. E. Reed & W. H. S. Reed. The report was read, and

Upon motion, it was approved.

Alderman Barton gave the Committee on sewer reports a report from the Board of Sewer Commissioners, J. W. Smith & A. F. Smith. The Committee had examined the report and found it to be in strict conformity with the city ordinance and recommended the sewer be built. The report was adopted.

The following resolution was then presented and adopted by a full affirmative vote of the Council present:

(Whereas the Committee on Sewers have referred to the Mayor and City Council.)
in favor of building a lateral sewer commencing at the termination of the 3rd South St. Avenue about 50 feet west of the west line of South Bandick Street and running thence northly to Bandick Street and southerly to South Bandick Street to deposit about seventy five (75) feet north of the west line of South Street, and have also reported the petitions for such sewer to be signed by a majority of the property owners as provided in Ordinance No. 3, therefore be it resolved that the report on sewer be and they are hereby ordered to purchase the necessary material and build the said lateral sewer.

Aldermen acting from the nose on sewer made recommendations as to the fact that P. Bandick St. was too deep to be fitted for a sewer to run at it could be decided to build connecting sewer and water service lines either not now laid on Bandick St. between the streets named and desired that authority be given for the building of such connecting sewer and water service lines.

The report was adopted.

The committee on two of water new under resolution presented to lay water service lines along Bandick Street where not now laid between South Street & West Street. The resolutions being adopted by a full after majority vote of the council present.

The committee on sewer was under the resolution authorized to build a connecting sewer to proceed with now laying the sewer on Bandick Street between South Street and West Street and the resolutions were adopted by the following votes on May 29th, 1886: Messrs. Atty, Salley, Levy, Mr. Combs, Mrs. Lowery, Sellick & Wellsing (2) Mayor Rannie (1).
The city clerk made report of a new tax on uncollected prior taxes, filed a certificate of the assessment roll, No. 226, submitted to the city council to the sheriff's office, such certificate containing a description of property against which said new tax was assessed and the amount of each assessment respectively. The city council accepted the report and ordered the tax assessed.

Mr. Salko therefore offered a resolution providing for the assessment of such unpaid taxes to be made in the proceeding of section 29 of chapter 22 of the Charter of the city of Kamloops, and directing the Board of Assessors to do so. Said tax by spreading the same upon the tax roll of the assessors of the respective wards into which such assessments were located.

The resolution was adopted by the following vote: Yes, H. M. Findlay, H. A. L. Wright, W. W. McLaughlin, J. W. Watkinson. No, Mayor and Alderman Waterbury. The Alderman Waterbury offered the following resolution which was adopted:

Resolved: That an extension of six days time be granted to the Kamloops Electric Company after the first day of May 1876, the time fixed in their contract for putting in the lights on the said contract.

Mayor Salko stated that the principal object in calling a meeting of the council was for the purpose of giving the amount of the required bond of guarantee on the city, also for giving such amount of bond as the required bond of guarantee to guarantee such bonds filed in the electric office of the city, in conformity with the amount of such.
Special Meeting April 22nd 1886.

Alderman Sackett submitted the following resolution which was adopted.

Resolved: That the penalty of the liquor bond for the city of Baltimore be and the same is hereby fixed at the sum of three hundred dollars the same as hereinafter; and the penalty for the aggrieved bond is hereby fixed at the sum of ten thousand dollars, the same as hereinafter.

Resolved further, That the city clerk be and he is hereby authorized and is directed to cause notice to be served on parties engaged in the business requiring such bonds to be given as filed such bonds in the office on or before the 23rd day of April 1886 for approval by the Common Council.

Alderman Cassius from the Committee on Licenses submits the following Liquor Bonds and Aggrieved Liquor Bonds recommending their approval by the Council.

The Mayor (R) Kaye (Non).
W. Atchaf then submitted the following Resolution:

Whereas it appears from the report of the Committee on Streets & Bridges that it is desirable the "New improvement" be proceeded with at once in order to save an added cost to the city on such improvement and,

Whereas it is possible that the subscriptions promised will be paid in such improved work in time to be in the effect of changing all water now passing into the Channel running to the Overflow Channel: Therefore Resolved: That the Committee on Streets and Bridges be and they are hereby authorized and directed to proceed with the so-called "new improvement" to the effect of making a road-bed 15 ft. below street level just wide enough to allow the flow of the river, to reach from the West Overflow Channel to the protected field, being the upper or freestone channel, swamping into the overflow, according the plans, subscribing amounts for such improvements, before the completion of said improvements. After the completion, had paid for the said resolution agree to pay the amounts subscribed by them respectively before said improvement being completed.

Resolved: That the city clerk shall refer to the committee on Streets & Bridges reporting to show the pledge of payment of such subscriptions as aforesaid, effectually on the part of the city, or contract for the doing of said improvement, requiring a bond running to the city in a penal sum equal to the amount of said contract from the parties so contracting, with two or more sureties to the same.

Resolution adopted.

W. Atchaf，则提交了以下决议：

因委员会关于街道和桥梁的报告表明，它希望“新改进”能立即进行，以避免增加城市的成本，因此，

考虑到有可能的捐款，将在适当的时间内支付，以便在改进工作完成之前节省成本。

因此决议：委员会关于街道和桥梁的决议授权和指示他们进行改进工作，使道路宽度15英尺，低于街道水平，从西溢流渠延伸到被保护的领域，成为上或花岗岩渠道，排水到溢流渠，根据计划，支付金额用于随后的改进。

决议：要求城市书记官将所有已支付的金额转交给委员会关于街道和桥梁的报告，以显示支付承诺，或与承建商签订合同，负责改进工作，要求承建商提供保证书，金额等于合同金额，由两名或多名担保人签署。

决议通过。

Resuming discussion relating to the matter and the advisability of determining the legal liability of the St. Railway Company in the premises.

Addressed to the Mayor: That the city attorney be and hereby instruct to commence legal proceedings on the book of the city attorney against the St. Railway Company for the trespass and violation of its tracks and structures on South Pendrick Street, Lubow and N◌ve Streets.

Upon a call of the first O. H. the motion was carried, at the following call.

Yead, Nicoll, Howard, Ritto, Lacy, Dever, McMillian, Lott, W. Kellin, S.

Mayor! The Mayor, the President of the Committee, explained his vote as given in the meeting for the reason that he did not desire any lawsuits in the case of such avoided.

The matter of the extinction of the city limits on both avenues North to Mr. Ritto's house asking the prayer of the bill now at the council for passage relating to the same.

Mr. Lacy stated it was in the hands of the committee, but stated he was opposed to the extinction of the city limits without the matter being submitted to the people saying he knew nothing of the amendment to extend the limits until he received the bill at the council stating he had not been consulted on the Committee.

Mr. McMillan defended the petition of the ordinance Committee for presenting the amendment to the Council, and negates.
The pleasure of Mr. Salley at the time the matter was under consideration by the Committee at no small cost, and means to the gentleman.

Mr. Beddard proposed that Mr. Salley be and he is hereby requested to give his aid and attention to the passage of the amendment to the city charter, relative to the extension of the city limits by half a mile north from its present north boundary.

The amendment followed and the discussion was short on the printed.

The question being called the motion was adopted by the following vote:

Special Meeting, April 25, 1887

Dear sires, having been given, the Mayor and City Council met in Special Session, on the evening of Monday, April 25th, 1887.

Mayor Ramsey called the meeting to order at 7:30.

The Mayor stated that as kind he issued a call for the meeting, it was more especially said to consider the amount of the bonds to be filed by the Squire during the City, but, having been informed by Mr. Levy that the Legislature would probably make some change in the Surpax law this week, it would do wiser to read over and pass upon the action for a few days, and the Council might look up for consideration any business which was ready for presentation.

The Mayor then requested the City Attorney to read the draft of a proposed Ordinance which had been presented by the Chicago Kalamazoo and Saginaw Railway Company, granting the Company the right of way over and across certain points in the City.

Pending the discussion in regard to the right of the same, and an amendment prepared by the City Attorney—

Mr. Levy moved that at 9:00 o'clock tomorrow—-Tuesday—morning the Council should visit the line of the Railway, so that, after an inspection of the same, they may be able to act more intelligently, and that, meantime, the City Attorney examine the legal questions involved, which motion seconded.

Petitions

Petitions were then presented and referred as follows:

He estimated that it would cost $2,000 to make a channel 130 feet wide at low water and 150 feet wide at high water, and that amount would cover the expense of cutting the road and the south bank of the River on a hard condition at five dollars per cubic yard.

On motion of Alderman Hough, the report of the Engineer was accepted, and he was requested to put it in writing and file it in the Clerk's office.

Alderman Hough offered the following resolution:

Resolved, That the committee on Bridge and Bridges, with the City Engineer, do and they are hereby instructed to advertise for bids and make all necessary preparations to survey so-called River improvement completed according to the survey made by the City Engineer, and let further resolution, that the contracts be made to have the work completed by Aug 15, 37. The bids to be reported to the Council for final action on the same.

Pending the taking of the vote on the adoption of the resolution, by permission of the Council,
Special Meeting, May 16, 1887

The Special Committee appointed at the
last session of the Council to consider
factors in the advisability of purchasing, at
the time, the six and eight-inch water supply,
are reconvened by the Committee on Fire
Protection, submitted the following report:

To the Mayor and City Council:

The Committee, to whom was referred the matter
relative to the immediate purchase of six and
eight-inch pipe for the ten proposed water outlets
in the city, respectfully report
that they have had the matter fully considered
and carefully examined the estimates and
specifications, and as to the merits of each of
the ten outlets and are unanimous in
opinion that it is highly important that
all of them should be completed at
as early
date as consistent with a reasonable
low and efficient system of water for
fire and water supply:

Let your Committee have carefully
anticipated the very large and necessary
City Expenditures for the coming year, which cannot
possibly be avoided, including the $6,000 for the
new well and its connections, also cost of new
bridges, say $12,000, as well as the diminished
Revenue from licenses, and have come to the
conclusion that, with due regard to City
Repayment of coming year, that this Board has
already been very liberal for fire and water
purposes, and cannot afford to increase
the amount this year. Hence your
Special Session of the Board of Aldermen November 15, 1886
