DIED.

JANUARY 9th, 1892.

Frederick Bush,
Mayor of the City of Kalamazoo.

RESOLUTIONS ADOPTED BY CITY COUNCIL.

Resolved: That the City Council of the City of Kalamazoo record with deep and heartfelt regret the death, on the 9th day of January, 1892, of Honorable Frederick Bush, at that time Mayor of the City of Kalamazoo. They feel that no formal resolutions are adequate to express their appreciation of his manly worth, his public spirit, his generosity and kindness as a friend and fellow citizen. In Mayor Bush the city loses a man it can ill-afford to spare; one who honored his enterprises with a view to the rights and interests of others as well as his own and whose success has made the success of many. The Council, while lamenting the public loss, would respectfully tender their sympathies to the family of the deceased.
At a regular meeting of the City Council held at the City Hall, Monday, January 4th, 1897.

The Mayor presided.

The minutes of the meeting of the Council on the 31st of December last were read and approved.

A communication was received from the Mayor, announcing his intention of leaving the City, and asking the Council to appoint a successor at the regular meeting of the Council held December 7, 1896, in relation to laying water pipe extending from Mill St.

Dearest,

Last week, I received a letter from you, expressing your interest in our upcoming trip to the countryside. I was thrilled by your enthusiasm and excitement for the adventure.

Our village, known for its rich history and beautiful landscapes, is perfect for a retreat like this. The rolling hills, blooming flowers, and serene lakes create a peaceful atmosphere that will surely rejuvenate our spirits.

I have arranged for a series of activities that will cater to our interests. From hiking to bird-watching, there's something for everyone. We will also have the opportunity to visit local farms, where we can learn about sustainable farming practices.

I am looking forward to spending quality time with you, away from the hustle and bustle of our daily lives. This will be a chance to reconnect and create unforgettable memories.

Please bring your camera and your best stories. I am sure we will have plenty of laughs and moments to cherish.

Looking forward to our adventure,

Present to adjournment the late council met on Tuesday evening, July 11, 1893. There were present:—The Mayor, Mr. Ald. Burke, Street Com., Ald. O'Keeffe, Ald. Leland, Taylor, Hehew & White.

On motion of Mr. O'Keeffe the reading of the minutes was dispensed with.

Mr. Hehew offered the following resolution which was adopted:

Resolved, Whereas a number of the employees of the city are indebted to the city for water or gas, for repairs or the construction of sidewalks, for repairs to the same or in some other way, which indebtedness is in most instances past due and not being paid for:

Ordered that the city clerk is hereby instructed to retain from any money hereafter found due to such employee, the amount of these indebtedness to the city, provided such indebtedness to the city shall not exceed 50% of their demand of their employees, and should it exceed 50% that such 50% be retained from time to time until the indebtedness to the city is fully paid, and that it shall be the duty of the city clerk to notify such employees of this resolution.

The committee on streets & bridges submitted a statement showing the cost of paving the same, and after reading the specifications prepared by the city engineer of making same change in the same, Mr. Hehew moved that the contract be canceled and that Mr. Doyle be advised, subject to his approval of the terms of the proposal of that the city be required to give a bond in the sum...
of the land required by the state law for the security of subcontractors’ labor.

Old Kilhey offered the following resolution:

Resolution of the Council that North Burchfield Street be paved from the most southern rail of the main track of the Michigan Central Railroad Track at the corner of said Track & North Burchfield St to the north edge of Pleasant Street with bituminous blacktop and curbs. Be it enacted that the city engineer make necessary estimates of the expense of such pavement, and that the city attorney be informed of the same, and that the City Attorney be informed.

Old Kilhey moved to lay the motion on the table until next Monday morning, which was seconded by following votes:

\[ \text{Yes: Old. Hunter, Taylor & White, 4} \]

Old Taylor moved a reconsideration of the vote by which the motion was carried to award a contract to W. A. Dole.

Which motion prevailed.

Old Taylor offered the following resolution as a substitute for the motion which was adopted:

Resolution, That the bid of W. A. Dole for the pavement of North Fleet Street from the south line of June Street to the north line of Fleet Street according to plans and specifications on file in the City Engineer’s Office be accepted.

Resolution of the Council that North Burchfield Street be paved from the most southern rail of the main track of the Michigan Central Railroad Track at the corner of said Track & North Burchfield St to the north edge of Pleasant Street with bituminous blacktop and curbs. Be it enacted that the city engineer make necessary estimates of the expense of such pavement, and that the city attorney be informed of the same, and that the City Attorney be informed.
and the proposals also filed in said City Clerk's Office be accepted and that the necessary contract be entered into with said Geo. H. Doyle and that the City Clerk be and he is hereby authorized and directed to enter into said contract on behalf of the City of Kalamazoo and that said Doyle enter into an indemnifying bond in the sum of $8,000.00 with two sureties to save the city harmless from all damage received against the City of Kalamazoo because of injury received by reason of negligence, or failure to comply with the contract and specifications on the part of said Doyle in the performance of said works and to be approved by the City Clerk of Kalamazoo and that said contract of bond be entered into within 5 days from the date hereof otherwise said bids shall be considered rejected.

Of which it is estimated that the income from all sources, other than direct taxation, during the current year will amount to the sum of $142,900.00.

Therefore, Be it resolved by the City of Kalamazoo that the following amounts be and the same are hereby provided for and appropriated to defray the expenditures and liabilities of the corporation for the current year:

First: Fuel is appropriated to the General Fund to be payable from the income to defray the expenditure and other expenses of the City, or from Fifty Thousand Forty Hundred Dollars.
Second.- There is appropriated to the Fire & Water Fund to defray all expenses necessary to construct and maintain the Fire Department and the Water Works of the City, in the sum of Forty Thousand Five Hundred Dollars.

Third.- There is appropriated to the Street & Bridge Fund, to defray all expenses mentioned in the first clause of Section 5 of Chapter XXI of the City Charter, as amended, the sum of Forty Thousand Dollars.

Fourth.- There is appropriated to the General Sewer Fund, to defray the expenses of sewers, ditches and drainage, and the improvement of the water courses, the sum of Five Thousand Dollars.

And it is further

Resolved and Ordained that One Hundred Thousand Dollars of the aggregate of said amounts be raised by levying on the several general lapsings to be levied on the taxable property of the City, and that the several amounts be paid into the several funds hereinbefore mentioned.

And Whereas, it appears to the City Council of the City of Rochester, from the returns of the Treasurer that the following Sewer Taxes and Dwelling Fines have been returned uncollected and unpaid, to wit:-

A special meeting of the City Council was held on Monday afternoon, due notice of same having been given, and every member of the Council being present.

The minutes of the last meeting were read and approved.

A petition was presented from J. F. Tiberius, asking for a permit to raise a building on his lot at the corner of Fifth and Orange streets, serve a temporary apartment building on the lot and use the street for building purposes.

Referred to the committee on streets and bridges.

The various standing committees of the Council then submitted their annual reports for the year ending March 31, 1894 and the same were received and ordered placed on file, together with the reports of the several city officers, the report of the city treasurer being referred to the committee on finance.

The city treasurer also presented a list of all accounts delinquent on the General Tax Roll, as well as for paving and sewerage, and the same was ordered placed on file.

The report of the street commissioners, covering an inventory of tools and other property in his possession, was referred to the committee on streets and bridges.

The city inspector presented his weekly report which was accepted and ordered placed on file.

All business suspended for the following resolutions:

Passed! By the City Council that the City Clerk and City Treasurer be and they are hereby authorized to balance all funds into or from the General Fund as may be needed for purposes for all deficiencies or overdrafts and take care of all blanching, in other words that they pay all deficiencies from the General Fund, and come all balances of cash on hand into the General Fund.

The resolution was adopted, all members of the Council, excepting Mr. Hill, all of whom voted for the same.

The Council then adjourned.

Read and approved May 16, 1894.
and below the same when the same caused to be printed and placed in separate books the words "Yes" and "No," and at the canvassing of said vote the said vote has been canvassed and signed in the office of the City Clerk of said City of Kalamazoo, a statement by which it appears that the whole number of votes given upon the proposition "Relative to bonding the City for $40,000 for erecting an Electric Lighting Plant," at the Annual election in the City of Kalamazoo, held on the second day of April in the year 1894, was one thousand four hundred and forty (1,440) and of said vote one thousand two hundred and eighty-two (1,282) were "Yes" and one thousand one hundred and forty-four (1,144) were "No." "

Therefor the City Council of the City of Kalamazoo do hereby return the book containing said vote to said canvassing, to report a majority of the votes cast upon said proposition, viz., 1,440 to 1,282, for bonding the City for $40,000 for erecting an Electric Lighting Plant," and that a majority of the qualified electors voting on such election did vote in favor of raising $40,000 for erecting an Electric Lighting Plant and said proposition is hereby declared and declared to be carried effectually at such election.

The Aldermen, whose terms of office expire on this day, have executed their Oaths, which were then administered by the Aldermen elect.

The Constitutional oath of office was administered to the Mayor Elect, Hon. F. C. Brown, and the Aldermen elect, as well as giving all the members of the Council to be present.

Mr. Lisskey offered the following Resolution:

Resolved, by the Board of Health of the 
City of Philadelphia, that after investigation 
and examination of the house known 
under the number 114, 117, and 309 East Raamson 
Street having been made by said Board of 
Health and upon said investigation and 
Examination it appeared to 
the Board of Health that the preservation of the Public Health of the City 
of Philadelphia renders it necessary 
that said house be removed and 
destroyed and that said house be 
removed, source of filth and cause of sickness and all 
undesirable to 
the inhabitants within said lot and 
that said house be found on private 
property; therefore, it is declared 
necessary, and said Board of Health 
hereby declare it to be necessary for 
the preservation of the Public Health of said lot and 
the inhabitants thereof to remove and 
destroy said house. Ordered and 
Direct that the owner or occupants of said house, be and the 
same are hereby ordered to remove 
and destroy said house at their own 
expense, within twenty-four 
(24) hours from the time of the 
service of this Resolution and
Board of Health Jan. 7, 1874

Ordered on their return, in pursuance with the requirements of Section 29, of
Annuity (Annuity) Statute of Massachusetts.

The resolution was adopted by the following vote:

Yea: Redman, Burke, Betts, Kenyon, Fletcher, Gilkey, Hollander, Raw &
Schneider. 4

Nay: None
