RESOLUTION DECLARED ADOPTED, ________________.

CERTIFICATE

I hereby certify that the foregoing is a true and complete copy of a Resolution adopted by the Downtown Development Authority of the City of Kalamazoo at a regular meeting held on December 21, 2020, and that said meeting was conducted and a public notice of said meeting was given pursuant to and in full compliance with the Open Meetings Act, being Act No.267 of the Public Acts of 1976, and the minutes of said meeting were kept and will be and have been made available as required by said Act.

Bob Miller, Secretary
This Service Agreement (the “Agreement”) is made effective as of January 1, 2021, by and between the Downtown Development Authority of the City of Kalamazoo, a Michigan statutory authority, located at 162 East Michigan Avenue, Kalamazoo, Michigan 49007 (the “DDA”), and Downtown Kalamazoo Incorporated d/b/a the “Kalamazoo Downtown Partnership,” a Michigan nonprofit corporation with federal tax-exempt status as a 501(c)(3) exempt organization located at 162 East Michigan Avenue, Kalamazoo, Michigan 49007 (the “Partnership”). Throughout this Agreement, the DDA and the Partnership are also referred to individually as a “Party” and collectively as the “Parties.”

Recitals

A. Pursuant to the Downtown Development Authority Act, being Act 197 of the Public Acts of Michigan of 1975, as amended and re-adopted in the Recodified Tax Increment Financing Act, being Act 57 of the Public Acts of Michigan of 2018, and action of the governing body of the City of Kalamazoo (the “City”), the DDA was created for the purpose of halting property value deterioration, increasing property tax valuation, and promoting economic growth in the City’s downtown area.

B. Pursuant to the Nonprofit Corporation Act, being Act 162 of the Public Acts of Michigan of 1982, as amended, and in accordance with its federal tax-exempt status as a 501(c)(3) exempt organization, the Partnership was created for the purpose of preserving and enhancing the economic health of the City’s downtown area, specifically working with various affiliate organizations to manage a full range of activities that include capital improvement projects, business development and recruitment programs, image marketing, and event planning.

C. The DDA does not have any employed staff or the internal capacity to carry out its specific purposes, and accordingly, the DDA desires to contract with the Partnership to receive the specialized services that the Partnership provides.

D. The Partnership specializes in providing program and project management services to municipal organizations and governmental entities, and accordingly, the Partnership now desires to contract with the DDA to provide its specialized services in exchange for compensation paid by the DDA.

E. The DDA and Partnership now enter into this Agreement pursuant to the terms and conditions set forth below.

Agreement

1. Engagement of the Partnership. Subject to the terms and conditions of this Agreement, the DDA engages the Partnership to provide the specific services set forth below in Section 2 (the “Services”) during the term set forth below in Section 3 (the “Term”), and the Partnership accepts such engagement.

2. Specific Services. The Partnership will provide the Services detailed below directly to (and, as applicable, on behalf of) the DDA:
a. Negotiate and recommend contracts, leases, options, and easements relating to land.

b. Negotiate and recommend contracts for constructing, reconstructing, rehabilitating, restoring, preserving, equipping, improving, maintaining, repairing, and operating any building or public facility.

c. Develop long-range plans designed to halt the deterioration of property values in the City’s downtown area and to promote the economic growth of the City’s downtown area.

d. Develop plans for the construction, renovation, repair, remodeling, rehabilitation, restoration, preservation, or reconstruction of any building or public facility that may be necessary or appropriate for the DDA’s purposes.

e. Operate and manage any building or public facility under the DDA’s control.

f. Conduct studies and analyses of the impact of metropolitan growth and economic changes under the City’s downtown area.

g. Operate and manage the parking system that serves the City’s downtown area in accordance with an agreement separate from this Agreement.

h. Provide all other services as the DDA and the Partnership may agree to in writing that are necessary or incidental to the exercise of the DDA’s powers, are in fulfillment of the DDA’s purposes, and are in accordance with applicable law.

i. Provide day-to-day administrative services in support of the Services provided pursuant to this Agreement.

3. Term. Subject to the provisions of this Agreement, the term of this Agreement will commence on the Effective Date and continue for one year until December 31, 2021 (the “Term”), unless terminated earlier as provided below in Section 4. For purposes of clarification, although it is the intent of the Parties for their relationship as set forth in this Agreement to be long-term, this Agreement will not renew or extend automatically, and the Parties must execute a separate written agreement to renew or extend this Agreement. Notwithstanding the foregoing, if either Party does not intend to negotiate a renewal or extension of this Agreement during the Term, that Party must notify the other Party in writing of such intent no later than 180 days before the expiration of the Term.

4. Termination. The Parties may terminate this Agreement prior to the expiration of the Term as follows:

a. Either Party may terminate this Agreement during the Term upon default by the other Party under this Agreement. A Party will be in default under this Agreement if such Party fails in any material respect to perform or comply with any of the terms or conditions of this Agreement and such failure continues for more than 30 days after written notice of default from the other Party.
b. Either Party may terminate this Agreement during the Term if the other Party becomes insolvent or unable or unwilling to pay its debts, or the filing of a voluntary or involuntary petition in bankruptcy or of reorganization related to the other Party.

c. The Partnership will have the exclusive right to terminate this Agreement during the Term if the DDA fails to pay the Partnership for the Services as provided below in Section 6 and such failure continues for more than 15 days after such payment’s due date. For purposes of clarification, no notice from the Partnership to the DDA of the DDA’s failure to make a payment required under this Agreement will be required for the Partnership to exercise this exclusive right to terminate this Agreement.

d. The DDA will have the exclusive right to terminate this Agreement during the Term if the Partnership (i) provides the Services in a grossly negligent manner or engages in intentional misconduct in connection with the provision of the Services, and (ii) continues to perform in such manner for more than 15 days after receiving written notice from the DDA of its intent to terminate this Agreement.

5. Obligations After Expiration or Termination. Upon the expiration of this Agreement at the end of the Term pursuant to Section 3 above or the termination of this Agreement during the Term pursuant to Section 4 above, all obligations of the Parties under this Agreement will terminate.

6. Payments and Fee Schedule for the Services. The Partnership agrees to render the Services to the DDA based upon the following payment and fee schedule:

b. For all other items defined under above in Section 2 as the “Services”, unless otherwise agreed to in a separate writing between the Parties, the DDA will pay the Partnership the sum of Two Hundred Forty-Two Thousand Dollars ($250,020.00).

The total due to the Partnership for the Services rendered during the Term is Three Hundred Fifty-Two Thousand Dollars ($370,020.00).

7. Tangible Assets Provided. If the DDA acquires tangible assets (the “DDA Assets”) which are used by the Partnership in connection with the Services and/or services provided pursuant to agreements with others, the annual depreciated amount of such assets, until fully depreciated, shall be allocated based on usage for the purpose of crediting and assigning costs of such assets. The Partnership agrees to keep a current inventory of such assets and any additions including the annual depreciated amount, which it shall provide to the DDA from time to time upon request. The Partnership shall not dispose of any such assets without the approval of the DDA.

8. Accounting Records. The Partnership shall keep or cause to be kept full and accurate accounting records related to its activities in providing the Services in accordance with generally accepted accounting principles (GAAP). The Partnership shall maintain or caused to be maintained a system of bookkeeping to track and apportion its expenses related to providing the Services so that they are separate from the other activities of the Partnership that are not Services provided pursuant to this Agreement. The Partnership shall, upon request, give an authorized representative(s) of the
DDA, designated by the DDA’s governing board, or an authorized representative(s), designated by the Chief Financial Officer of the City, access to inspect and audit such books and records as is deemed necessary and desirable by the DDA or the City. The Partnership shall keep and safely store or caused to be kept and stored such books and records for a minimum of three (3) years.

9. **Ownership of Assets.** The ownership of all equipment, furniture, displays, vehicles, and similar tangible property acquired with funds provided by the DDA shall immediately upon purchase or acquisition vest in the DDA. The Partnership shall keep a written current inventory of such assets identifying the owner which shall be available to the DDA for review and inspection upon written request. The ownership of all consumable assets, such as office supplies and cleaning materials, purchased with funds received from the DDA, shall remain with the DDA, but such assets may be utilized and consumed by the Partnership in the provision of the Services pursuant to this Agreement. The assets described in this Agreement shall not be pledged, liened, encumbered, or otherwise alienated or assigned.

10. **Independent Contractor Status.** The Parties agree that the Partnership is an independent contractor of the DDA, and that neither the Partnership or the Partnership’s employees or contract personnel are, or will be deemed to be, employees of the DDA. Accordingly, in providing the Services, unless otherwise described in this Agreement, the Partnership will be responsible for providing necessary staffing, equipment, supplies and office and meeting space. Additionally, as a result of the Partnership’s status as an independent contractor, the Parties acknowledge and agree as follows: (i) the Partnership has the right and does fully intend to perform services for third parties during the Term, and neither the Partnership nor the Partnership’s employees or contract personnel will be required by the DDA to devote full time to the performance of the Services to be rendered pursuant to this Agreement; (ii) the Partnership has the sole right to control and direct the means, manner, and method by which the Services will be performed; (iii) the Partnership has the right to perform the Services at such places and at such times as the Partnership may determine; (iv) the Partnership has the right to hire and use its own employees and contract personnel to provide the Services, and the DDA will not hire, supervise, or pay anyone to help the Partnership to provide the Service; and (v) the Partnership will be solely responsible for the supervision, direction, and control of its employees and contract personnel, including all compensation, income tax and other applicable withholding, employee benefits, employment insurance and workers’ compensation insurance, and all other related expenses.

11. **Insurance.** The Partnership will keep in force at all times during the Term a general commercial liability insurance policy, including public liability and property damage, subject to normal policy exclusions, covering the Services provided pursuant to this Agreement in a combined single limit of $1,000,000.00 for each occurrence and $3,000,000.00 in the annual aggregate. The Partnership will also maintain, if necessary, comprehensive automotive bodily injury and property damage insurance for business use covering all vehicles owned by the Partnership and operated by the Partnership employees in connection with the Services. The policies must be written by a company licensed to do business in the State of Michigan. The coverage amounts under the foregoing policies will be re-evaluated every three years during the term of this Agreement. Both the DDA and the City will be named as an additional or co-insured as their interest may appear. Copies of the policies or certificates evidencing the policies will be provided to the DDA and the City upon request. Each policy or certificate will contain a provision or endorsement stating that the policy will not be canceled or materially changed or altered without requiring 30 days’ advanced written notice to the DDA and the City. The terms of all insurance policies will preclude subrogation claims against the DDA and the City.
12. **Nondiscrimination.** In connection with performance of the Services, the Partnership will not discriminate against any employee or applicant for employment to be employed in performance of the Services with respect to hire, tenure, terms, conditions, or privileges of employment, or any matter directly or indirectly related to employment because of race, color, religion, natural origin, age, sex, height, weight, marital status, military status, sexual orientation, or physical or mental disability. Breach of this provision may be regarded as a material breach of this Agreement as provided in the Handicapper’s Civil Rights Act and the Elliot-Larson Civil Rights Act, being respectively Act 220 and Act 243 of the Public Acts of Michigan of 1976, as amended.

13. **Freedom of Information.** The Parties acknowledge and agree that that DDA is a “public body” as that term is defined by the Freedom of Information Act, being Act 442 of the Public Acts of Michigan of 1976, as amended. Accordingly, the DDA’s records and documents are available to the public pursuant to the guidelines and criteria established by the Freedom of Information Act, and the Partnership will, in any activity performed pursuant to this Agreement on behalf of the DDA, make its records and documents concerning such applicable activity available and provide them to the public upon a request made under and pursuant to the provisions of the Freedom of Information Act.

14. **Compliance with Applicable Law.** In addition to the Partnership’s responsibilities pursuant to Section 12 and Section 13 above, the Partnership’s performance of the Services will at all times be in conformance with any and all other applicable laws, ordinances, rules, and regulations, including, but not limited to, the Michigan Downtown Development Authority Act, the Michigan Recodified Tax Increment Financing Act, and the Michigan Nonprofit Corporation Act.
