CITY OF KALAMAZOO
LOCAL PREFERENCE POLICY AND CERTIFICATION

The lowest responsive Kalamazoo County bidder whose bid is not low but falls within 2% of the lowest responsive bid is afforded the opportunity to become the successful bidder if it agrees to reduce its bid to match the lowest responsive bid. The City of Kalamazoo is the sole determiner whether a bidder is responsible, qualifies as a Kalamazoo County bidder, and if its bid is responsive to the City’s specifications, terms and conditions.

If the lowest Kalamazoo County bidder chooses not to match the lowest bid, the next lowest responsive Kalamazoo County bidder whose bid falls within 2% of the lowest bid, is given the opportunity to match the lowest responsive bid.

To qualify as a Kalamazoo County bidder, the bidder must meet both the following criteria:

1. Have a physical presence in Kalamazoo County by maintaining a permanent office, factory or other facility in Kalamazoo County with employees working in Kalamazoo County.

2. Have paid real or personal property taxes related to said business to the City of Kalamazoo, County of Kalamazoo or other municipal corporation within Kalamazoo County in the previous tax year, except that a non-profit entity need not meet this requirement.

This local preference policy applies only to purchases for materials, supplies, capital outlay, and services for maintenance, repair or operation of City facilities that are over $25,000. If more than 50% of the contract is subcontracted to firms located outside of Kalamazoo County that bid does not qualify for the local preference policy outlined above. The local preference policy will not apply if prohibited by law. The Purchasing Agent has the authority to finally determine if the bidder qualifies as a Kalamazoo County bidder as set forth herein. The Purchasing Agent may take into account the permanency of the business in Kalamazoo, and whether the business appears to be claiming to be a Kalamazoo County business solely or primarily to qualify as a Kalamazoo County business under this Resolution, and any other material factors.

CERTIFICATION

If you qualify as a Kalamazoo County bidder and wish to be considered for the local preference provisions as provided above please certify that fact by providing the information requested below and attesting to its accuracy.

Revised April 2008
CITY OF KALAMAZOO EX-OFFENDER POLICY CHECKLIST

As part of the City’s commitment to reducing unacceptable poverty, encouraging rehabilitation, reducing recidivism and strengthening families in Kalamazoo, the City has updated its Purchasing Policy to ensure that firms with whom the City does business share in this commitment by utilizing hiring practices that do not unfairly deny people with arrest and conviction records gainful employment. (Important: This requirement also extends to any subcontractors the bidder intends to use to fulfill the contract for goods or services being sought from the City.)

Part I: Proof that the bidder does not inquire about an individual’s past arrest or criminal history on the bidders employment application form

☐ Attach a copy of the current application for employment being used by the bidder

Part II: Certification that the bidder does not use an individual’s past arrest or criminal history to unlawfully discriminate against them by checking one or more of the following:

☐ That pursuant to federal or state law bidder is precluded from hiring persons with certain criminal records from holding particular positions or engaging in certain occupations by providing a cite to the applicable statute or regulation; if checking this box, provide a citation to the applicable statute or rule upon which the bidder is relying: ________________________

☐ That bidder conducts criminal history background checks only as necessary, and only after making a conditional offer of employment; that any withdrawal of an offer of employment to an individual because of a past criminal history is job-related and consistent with business necessity after the individual has been provided an individualized assessment opportunity to review and challenge or supplement the history of past criminal conduct being relied upon by the bidder;

☐ That the use by bidder of criminal history background checks complies with the U.S. Equal Employment Opportunity Commission’s Enforcement Guidance on the Consideration of Arrest and Conviction Records in Employment Decisions and that the bidder has not had a determination rendered against it in past 7 years that it discriminated against a person through the use of an individual’s arrest or criminal history

I CERTIFY THAT THE ABOVE STATEMENTS ARE TRUE.

All coverage shall be with insurance companies licensed and admitted to do business in the State of Michigan and acceptable to the City of Kalamazoo within ten (10) days of the Notice of Award. The requirements below should not be interpreted to limit the liability of the Contractor. All deductibles and SIR’s are the responsibility of the Contractor.

The Contractor shall procure and maintain the following insurance coverage:

Workers’ Compensation Insurance including Employers’ Liability Coverage, in accordance with all applicable statutes of the State of Michigan.

Commercial General Liability Insurance on an “Occurrence Basis” with limits of liability not less than $1,000,000 per occurrence and aggregate. Coverage shall include the following extensions: (A) Contractual Liability; (B) Products and Completed Operations; (C) Independent Contractors Coverage; (D) Broad Form General Liability Extensions or equivalent, if not already included and (E) XCU coverage if the nature of the contract requires XC or U work.

Automobile Liability including Michigan No-Fault Coverages, with limits of liability not less than $1,000,000 per occurrence, combined single limit for Bodily Injury, and Property Damage. Coverage shall include all owned vehicles, all non-owned vehicles, and all hired vehicles.

Additional Insured: Commercial General Liability and Automobile Liability, as described above, shall include an endorsement stating that the following shall be Additional Insureds: The City of Kalamazoo, all elected and appointed officials, all employees and volunteers, all boards, commissions, and/or authorities and board members, including employees and volunteers thereof. It is understood and agreed that by naming the City of Kalamazoo as additional insured, coverage afforded is considered to be primary and any other insurance the City of Kalamazoo may have in effect shall be considered secondary and/or excess.

To the fullest extent permitted by law the Contractor agrees to defend, pay on behalf of, indemnify, and hold harmless the City of Kalamazoo, its elected and appointed officials, employees, agents and volunteers, and others working on behalf of the City of Kalamazoo against any and all claims, demands, suits, or loss, including all costs connected therewith, and for any damages which may be asserted, claimed, or recovered against or from the City of Kalamazoo, by reason of personal injury, including bodily injury or death and/or property damage, including loss of use thereof, which arises out of, or is in any way connected or associated with this contract.

Cancellation Notice: All policies, as described above, shall include an endorsement stating that it is understood and agreed that thirty (30) days, or ten (10) days for non-payment of premium, Advance Written Notice of Cancellation, Non-Renewal, Reduction, and/or Material Change shall be sent to: City of Kalamazoo, Purchasing Division, 241 W. South Street, Kalamazoo, MI 49007.

Proof of Insurance Coverage: The Contractor shall provide the City of Kalamazoo at the time that the contracts are returned by him/her for execution, or within 10 days of Notice of Award, whichever is earlier, a Certificate of Insurance as well as the required endorsements. In lieu of required endorsements, if applicable, a copy of the policy sections where coverage is provided for additional insured and cancellation notice would be acceptable. Copies or certified copies of all policies mentioned above shall be furnished, if so requested.
SECTION III  
INDEMNITY AND INSURANCE  
Continued

If any of the above coverages expire during the term of this contract, the Contractor shall deliver renewal certificates and/or policies to City of Kalamazoo at least ten (10) days prior to the expiration date.

Scope of Coverage: The above requirements and conditions shall not be interpreted to limit the liability of the Contractor under this Contract, but shall be interpreted to provide the greatest benefit to the City and its officers and employees. The above listed coverages shall protect the Contractor, its employees, agents, representatives and subcontractors against claims arising out of the work performed. It shall be the Contractor’s responsibility to provide similar insurance for each subcontractor or to provide evidence that each subcontractor carries such insurance in like amount prior to the time such subcontractor proceeds to perform under the contract.
SECTION IV
SPECIFICATIONS AND GENERAL REQUIREMENTS

1. INTENT

It is the City's intent to enter into a term contract for asphalt patching materials.

2. APPROVED EQUIVALENT PRODUCTS

Any reference to items by make, model or product number shall be construed as establishing a standard of quality and shall not be construed as limiting competition. It is not the intent of these specifications to preclude reputable vendors from bidding. Bidders may quote on approved equivalent product provided complete identification is noted on the Bid and Award page.

3. MATERIAL REQUIREMENTS/SPECIFICATIONS

The asphalt patching materials shall meet the quality standard of Unique Pavement Material (UPM) – See attached Specifications. The City is willing to consider and test competitive products if: 1) the City receives good references for the product being used in similar applications and 2) the bidder sells 50 tons of asphalt patching material to the City at the price bid. After evaluating the suitability of the material based upon its: 1) longevity in serving as a street patch, 2) pliability during cold temperatures and 3) lab test results; the City will, at its sole determination, decide whether to enter into a one (1)-year term contract.

4. DELIVERIES

A. Deliveries shall be made on an order-release basis only.

B. Orders will be made for 50 ton, double bottom transport shipments.

C. Bidders shall indicate on the Bid and Award page a guaranteed delivery time after order release request.

D. Prices shall be F.O.B. delivered to Kalamazoo Public Services Department, Stockbridge Facility, 415 Stockbridge Avenue, Kalamazoo, MI with all freight and/or delivery charges included in the price bid.

5. SAFE HANDLING OF MATERIALS

The Contractor shall provide the City with specification literature and Material Safety Data Sheets for all materials furnished.

6. CERTIFICATION OF COMPLIANCE

The Contractor shall furnish to the City a certification from the manufacturer that the material for this project has been sampled, tested and complies with the requirements of this special provision. It shall not be inferred that the providing of a certification of compliance waives inspection, sampling or testing. The Contractor shall furnish samples of the materials if required by the Engineer.
7. **QUANTITIES**

It is estimated that 2,000 tons of the product may be purchased. The City gives no guarantee, however, of minimum or maximum purchases which may be more or less than indicated. All purchases are subject to availability of funds.

8. **CONTRACT PERIOD AND EXTENSIONS**

8.1 The contract shall be in effect for the 2020 street repair season through December 31, 2020.

8.2 The City may opt to extend this contract for one (1) year periods. Extensions shall not exceed four (4) one-year periods. All extensions shall be upon mutual agreement of both parties.

Contract renewals and cost increases are subject to availability of funds and the approval of the City Commission.

8.3 From time to time the City may find it necessary to continue this contract on a month-to-month basis only, not to exceed a six-month period. Such month-to-month extended periods shall be by mutual agreement of both parties with all provisions of the original contract, or any extension thereof, remaining in full force and effect.

9. **INVOICING**

Upon delivery the vendor shall leave an itemized copy of the packing slip with the using agency and obtain signature of proof of delivery. The vendor shall submit a monthly invoice in duplicate listing detail of items and cost.

All original invoice(s) will be sent to the Finance Division, 241 W. South Street, Kalamazoo, MI 49007 or via email at apinvoice@kalamazoocity.org. Faxed copy of invoice(s) will not be accepted, unless it is to replace an original invoice that was lost in the mail. The Budget and Accounting Division processes payments after receipt of an original invoice from the Contractor and approval by the department.

The City of Kalamazoo policy is to pay invoice(s) within 30 days from the receipt of the original invoice, if the services or supplies are satisfactory and the proper paper work and procedures have been followed. In order to guarantee payment to the vendor on a timely basis, the vendor needs to receive a purchase order number before supplying the City of Kalamazoo with goods or services. All original, and copies of original invoice(s), will clearly state which purchase order they are being billed against.

The City of Kalamazoo is a government municipality and therefore is tax exempt from all sales tax. Our tax exempt number is 38-6004627.

The vendor is responsible for supplying the Finance Division with a copy of their W-9 if they are providing a service to the City of Kalamazoo.

10. **QUESTIONS**

Questions relative to the specifications may be addressed to Anthony Ladd at (269) 337-8717. Questions relative to general bid requirements may be addressed to Gracia Mason, Buyer at (269) 337-8720. This does not relieve the bidder from Page 1, Item 3.

B. Compliance with provisions for pricing change orders, invoices or claims submitted by the Contractor or any of his payees.
9. **HOLD HARMLESS**

In the event of any breach of this contract by Contractor, Contractor shall pay any cost to the City caused by said breach including but not limited to the replacement cost of such goods or services with another Contractor.

The City reserves the right to withhold any or all payments until any defects in performance have been satisfactorily corrected.

In the event the Contractor is in breach of this contract in any manner, and such breach has not been satisfactorily corrected, the City may bar the Contractor from being awarded any future City contracts.

G. All remedies available to the City herein are cumulative and the election of one remedy by the City shall not be a waiver of any other remedy available to the City either listed in this contract or available by operation of law.
11. **CONTRACT PERIOD, EXTENSIONS, CANCELLATION**

A. The contract shall be in effect for the term stated in the specifications.

B. The City may opt to extend this contract upon mutual agreement of both parties. The number of extensions shall be limited to that stated in the specifications.

C. The City may, from time to time, find it necessary to continue this contract on a month-to-month basis only, not to exceed a six (6) month period. These UPM® bituminous patching mixes are designed in various seasonal grades for use when the outside ambient temperature is in the range of -15°F (-26°C) to 100°F (38°C). Each grade shall be manufactured specifically to accommodate anticipated climatic conditions. These grades shall consist of Winter Mix, Spring/Fall Mix and Summer Mix.

The bituminous patching mix shall consist of asphalt and aggregate within prescribed quantities to make a mixture, which will provide satisfactory coating, workability and adhesion characteristics. The patching mixture will be available in grades to function as a patch during cold and damp or during hot weather in bituminous and concrete pavement. The asphalt blend and aggregate shall conform to the following requirements.

Liquid Asphalt:
The bituminous material shall be UPM® liquid asphalt blend, from UNIQUE Paving Materials Corp. (UNIQUE), Cleveland, Ohio or from one of its approved blending facilities. The blend shall meet the following requirements:

| Kinematic Viscosity @ 140°F (60°C) | ASTM D 2170 | 350 to 4000 cSt (mm²/s) |
| Flash Point, Tag Open Cup | ASTM D 1310 | 200°F (93°C) minimum |
| Percentage of Water | ASTM D 95 | Less Than 0.2% |
| Distillation to 680°F (360°C) | ASTM D 402 | See Values Below |

* Make this test in accordance with ASTM Method D 5, except utilize a penetration cone in place of the standard penetration needle. The cone shall conform to the requirements given in ASTM Method D 217, except that the interior construction may be modified as one desires. The total moving weight of the cone and attachments must be 150 ± 0.1 grams. Also the level of water in the transfer dish shall be lowered to less than the height of the sample and decant water from the top of the sample before transferring from the bath to the penetrometer.

## PREPARATION OF MIXTURE:
The producer will provide a paved stockpile pad or an established material base of the same product as bid in the specifications. The pad or material base shall be solely committed to this product during the contract period.

The asphalt shall be heated to a temperature between 185° - 265°F (85° - 130°C).

The mixture shall consist of an aggregate and asphalt combined in a pug mill in the following proportions:
- Asphalt: 5.0 to 6.5%
- Aggregate: 93.5 to 98%

The mixture may be prepared with no heat to the aggregate when determined as acceptable by UNIQUE’s laboratory testing.

Heat should be applied to the aggregate when determined as necessary by UNIQUE’s laboratory testing prior to production of the mixture or by a technical representative of UNIQUE.

Under any of the above conditions the minimum amount of heat necessary to obtain coating or facilitate the operation of the plant may be utilized not to exceed under any circumstance 175°F (80°C).

When producing in a batch plant, wet mix time in the pug mill should be typically in the range of 30 to 45 seconds or until the aggregate is uniformly coated (greater than 95%) as outlined in ASTM D 2489.
PRODUCTION SUPERVISION:
A technical representative from UNIQUE will be present at every production for quality assurance of the mix. This supervision shall be at the expense of UNIQUE.

MIXTURE:
The UPM® mix shall meet the following requirements:

Coating: ASTM D 2489  Greater than 95%
Stripping in distilled water: Visual  Less than 5%
Extraction of Bituminous Material: ASTM D 2172  3.5 min. 9.0% max.
Sieve Analysis of Extracted Aggregate: ASTM C 136 4.0% Maximum
Minus 200 (0.075mm) of Extracted Aggregate: ASTM C 117 & ASTM C 136  One-Year Minimum
Shelf Life of 100 Tons or more

Note 1: Place approximately 100 grams in a 250 ml glass beaker and cover with distilled water for 24 hours before observation.

Note 2: This value shall not be confused with the 2.5% maximum allowed for the Minus 200 (0.075mm) Wash Loss on the raw aggregate before the production of UPM mix. That value is necessary to minimize the effect of the plant when producing the finished UPM cold mix.

PERFORMANCE GUARANTEE:
The supplier of the material shall guarantee the performance of the mix to meet the following requirements:

A. The material shall remain workable to accommodate climatic conditions, in an uncovered stockpile of 100 tons or more, if applicable, for a period of not less than 12 months
B. Smaller quantities must be reasonably covered.
C. Repaired potholes shall not show any significant signs of shoving, rutting, tracking, kick-up or ravel-out within a period of 12 months from the time of repair.

In the event the material furnished does not meet all of the above requirements, the supplier shall replace the unsatisfactory with acceptable material. The acceptable material shall be provided and delivered at no extra charge to the Department.
