New Business

• Expungement opportunity (Steve Brown, Richard Cherry)
Mayor Hopewell introduced Mr. Brown and Mr. Cherry, both city staff. Mr. Cherry is the Deputy City Attorney and Mr. Brown is the Foundation for Excellence Coordinator.

Mr. Brown begins explaining minor details of the new expungement law that will be carried for the state of Michigan. The new law is an expungement opportunity for those who are being released back into the community/society. This will assist them improving their life in a more positive way without the burden of their priors.

Mr. Cherry clarifies the stipulation of the new expungement law, which include:

- Only Two Misdemeanors
- Only Two Non-Related Misdemeanors
- Only One Felony

This is a very restricted and limited qualification for eligible applicants. The misdemeanors cannot result with endangerment and the waiting period is five years. Currently there are several draft bills being reviewed, The Clean Slate Bill and The Expansion Bill. Mr. Cherry briefly explains the two bills. Mr. Cherry explain that the only stipulation with the Clean Slate Bill would be that it increased the waiting period from five years to ten years.

Mr. Cherry explained that the new marijuana bill also legalized marijuana to a certain limit/amount in procession, he began discussing other minor details of the bill as well.

Mayor Hopewell mentioned that the draft bills are a step further to improvement and progress of the committees’ focus for the community.

Mr. Cherry mentioned that there will be an expungement screening event at the library on October 10th from 3 pm – 6 pm, this is a first come first serve bases. They will screen the applicants and determine if they’re eligible based on their background of priors and other specification for qualifying determination. If they qualify, they will pay a $50 application fee for the applicants. This will be based on the current law. If they are more then forty eligible individuals there will be a waiting list.
