### 431.1 PURPOSE

1. KDPS holds an active warrant for an extraditable offense.
2. The Kalamazoo Prosecutors Office must be willing to extradite from the state having custody.
3. A verbal extradition commitment shall be obtained from the Kalamazoo County Prosecutor or designee who is in charge of extradition requests.

### 431.3 PROCEDURE

The following procedure will be utilized when the CID is informed of a pending extradition from another state.

1. Request that the holding agency advise if the wanted subject will waive extradition. Name and telephone number of the contact person. Advise the holding agency that we will send a certified copy of the warrant and copies of the photos and fingerprints if available and needed.
2. If requested, KCSD will fax to the holding agency contact person a certified copy of the warrant, current photo and fingerprints. The holding agency may prefer the documents be sent by mail.
3. Await an answer regarding arrestee decision concerning extradition.

#### 431.3.1 ARRESTEE WAIVES EXTRADITION

1. Request that KDPS be notified after the arrestee has been before a magistrate and the waiver has been signed. Have the agency fax KDPS a copy.
2. Inquire if there are any local charges which would prevent immediate pickup. Obtain from the contact person the exact location where the arrestee is being held, to facilitate pickup arrangements. (This often changes after a court appearance).
3. The holding agency usually requests an estimated time of arrival of the transport officer. Advise them the transport will be handled by KCSD personnel and the KCSD will be in direct contact with them regarding the estimated time of arrival.
