

Injury to Officers

502.1 PURPOSE

To define the procedures governing the action to be taken when a KVET member is injured while on the job.

502.2 PROCEDURE

- (a) KVET members employed by the City of Kalamazoo must follow KDPS Policy #1022 "Work-Related Illness and Injury Reporting." The KVET Captain shall be promptly notified when an officer is injured.
- (b) If the injured member is an officer from another department, the appropriate commander of that department shall be promptly notified and that officer shall follow the policy of his/her home department.
- (c) The KVET Captain shall be responsible to see that On-The-Job Injury Reports are disseminated to the appropriate agency.
