

Social District Permit Information

Local Governmental Approval Required Before You Apply

The city, township, or village where your business is located must have first designated a Social District before you may apply. Your licensed business must be contiguous to the commons area inside the Social District to qualify. Check with your local governmental unit to see if you qualify.

Your licensed business must also be approved individually by the city, township, or village before you apply for a Social District Permit. A local governmental unit approval form is attached to this application.

The governing body of a local governmental unit may designate a Social District within its jurisdiction that contains a commons area in which the patrons of qualified licensees may consume alcoholic liquor (beer, wine, mixed spirit drink, spirits, or mixed drinks/cocktails) in the commons area.

At least two (2) qualified licensees must have their licensed premises contiguous to a commons area for the area to qualify to be part of a social district.

The local governmental unit must define and clearly mark the commons area with signs. The local governmental unit must establish a management plan, including the hours of operation, for the commons area. These plans must be submitted to the Commission.

A qualified licensee may apply to the Commission for a Social District Permit using the attached application. The licensee must first obtain approval from the governing body of the local governmental unit before applying for the permit.

A licensee that has been issued a Social District Permit may sell alcoholic liquor for on-premises consumption on its licensed premises only, but then customers may remove the alcoholic liquor from the premises to be consumed in the commons area. A licensee must not sell alcoholic liquor in the commons area.

The commons area is not considered part of any licensee's licensed premises. Nevertheless, a licensee that has been issued a Social District Permit must make every effort to ensure that it does not sell alcoholic liquor to a minor or intoxicated person.

Any alcoholic liquor sold to customers for consumption in the commons area by a licensee with a Social District Permit must comply with all of the following:

- The serving container must prominently display the licensee's trade name or logo or some other mark that is unique to the licensee that sold the alcohol.
- The serving container must prominently display a logo or some other mark that is unique to the commons area.
- The serving container is not made of glass.
- The serving container does not have a liquid capacity over 16 ounces.

A customer that purchases alcoholic liquor to be consumed in a commons area must not transport that alcoholic liquor onto the licensed premises of another licensee contiguous to the commons area from which the customer did not purchase the alcoholic liquor. A licensee shall not allow alcoholic liquor purchased from another licensee to be brought onto its licensed premises.

A customer that purchases alcoholic liquor to be consumed in a commons area must not transport that alcoholic liquor outside of the commons area.

Qualified licensees for Social District Permits are:

- A retailer licensee that is licensed to sell alcoholic liquor for consumption on the premises, such as a Class C, Tavern, A-Hotel, B-Hotel, Club, G-1, or G-2. A Special License issued to a nonprofit organization is not a qualified licensee.
- A manufacturer with an On-Premises Tasting Room Permit.
- A manufacturer with an Off-Premises Tasting Room License or a Joint Off-Premises Tasting Room License. For Joint Off-Premises Tasting Room Licenses, all licensees that have licenses at that same location must be approved for and issued a Social District Permit.
