1. Director of Golf Report:

- December ski revenue was best month ever and January is off to a good start. Membership presale was our highest total yet at \$184,215. We had some significant equipment repair expenses, leading to our highest yearly course maintenance costs, but other expenses were reasonable. DM Golf is projecting a profit of \$105,000.
- Attached is a list of capital purchases for 2024 totaling \$186,603.11 (all for irrigation). I ask for a motion to accept the purchases. Most was paid for out of our 2023 Bond. \$17,238.11 will be paid for out of our 2024 Bond. Motion made by John to approve the 2024 purchases. Seconded by Kevin. Vote passes. Motion to approve planned bond use on equipment and repairs made by John and seconded by Steve. Vote was unanimous.
- A new debt service schedule is attached showing our \$500,000 Bond for 2024. I have attached a list of proposed capital purchases for 2025 and ask for a motion to approve. Many items have been on order since late summer but are expected to arrive soon.
- We have decided to participate in a Golf Show at the Dome on March 1 along with a junior golf fitting day on March 8 similar to what we did last year.

2. Events:

- March 1 - SW MI Golf Show - The Dome Schoolcraft
- March 8 - Junior Golf Fitting Day - The Dome Schoolcraft
