1. Director of Golf Report

- February revenue was excellent.
- 2024 saw 1300 rounds of golf through February, in 2025 there was none. March is off to a good start based on the days playable.
- Miham Park and Eastern Hills opened for play on March 10th (walking only). Carts arrived later in the week and both courses are now fully open.
- Red Arrow will open on April 5.
- Eastern Hills has received 2 new greens mowers and a used sprayer. Milham Park has received 2 new greens mowers, a new sand pro, and a used tractor. Milam also received a workman cart, and it will stay at MP unless the workman cart at EH is beyond repair.
- The Golf Show at the Dome saw over 1000 visitors and \$18,000 in merchandise was sold. Looking to schedule another show next year.
- Discussion regarding the capital outlay for the upcoming years, carts, and what equipment would be needed took place. More information will be upcoming regarding how much will be bonded for in April.

2. UPCOMING EVENTS:

- May 4 – Big Hole Scramble – Milham Park
 - June 20 – First Tee Marathon – Eastern Hills
 - July 14 – Drive, Chip and Putt – Milham Park
 - July 25 – Support Red Arrow Fundraiser – Milham Park
3. Sub-committee report on Starters and Rangers.
- Kevin O'Toole provided an updated list of starters and rangers for MP and EH along with a schedule for each course. Kevin updated the board on the ranger/starter meetings and how they went. New rules are being implemented for them to work a required number of hours to receive the benefits of golf. They will also be checking personal coolers as people enter the course and those will be taken by the clubhouse staff until they patrons are finished golfing. They will also be checking receipts to cut down on people walking on and not paying. That has been a problem in the past and we are losing revenue.
4. Old Business
- Junior Golf Outing – Curt has updated the google document for everyone to access.
5. New Business
- None

The meeting was adjourned at 1:00 p.m.

Patrick McVerry
