1. The meeting was called to order at 12:01 at Eastern Hills.
2. **Minutes of the February 19th, 2026, meeting were approved.**
3. Director of Golf Report:
 - February ski revenue was our best February yet. Expenses were as expected.
 - Eastern Hills opened for walking only on March 9th. We are hoping to have Milham open by this weekend. Waiting for carts to be delivered. Red Arrow is scheduled to open on April 11.
 - We are fully operational with the new ForeUp POS system and have a few details to work out for online tee time booking. There will be no booking fees when booking through our website. Members will have their own portal to book tee times through.

- I've ordered 2 topdressers for \$39,100, as well as a Scag mower for Eastern for \$15,443. Strongly considering a dump trailer for \$8,659.
- We had a zoom meeting with a company called FireFly to learn about autonomous mowers. The technology is quite impressive. We plan to schedule an onsite demonstration, which will then help us learn what our ROI could be if we were to bring a mower in.
- GPS screens for Milham are scheduled to be installed around the second week of May. I had a few training sessions coming up to learn about how their advertising program works.

Events

- 5-3-26 – Big Hole Scramble – Milham Park
- 6-26-26 - First Tee Marathon---Eastern Hills
- 7-13-26 - Drive, Chip, and Putt---Milham Park.
- 7-24-26 - Support Red Arrow Fundraiser---Milham Park.

Rangers/Starters:

Capital Needs Sub-Committee:

- No Discussion, other than RA event.

5. Old Business

Greens subcommittee met with Milham and they don't think they need any updated equipment. Eastern Hills needs a new top dresser and gang mower from the meetings. Kevin gave updates on planned top dressing at Milham and maintenance items at Eastern Hills.

6. New Business:

The meeting was adjourned at 1:30pm

Respectfully submitted by

Patrick McVerry, Secretary
