**CITY OF KALAMAZOO
LOCAL PREFERENCE POLICY AND CERTIFICATION**

The lowest responsive Kalamazoo County bidder whose bid is not low but falls within 2% of the lowest responsive bid is afforded the opportunity to become the successful bidder if it agrees to reduce its bid to match the lowest responsive bid. The City of Kalamazoo is the sole determiner whether a bidder is responsible, qualifies as a Kalamazoo County bidder, and if its bid is responsive to the City’s specifications, terms and conditions.

If the lowest Kalamazoo County bidder chooses not to match the lowest bid, the next lowest responsive Kalamazoo County bidder whose bid falls within 2% of the lowest bid, is given the opportunity to match the lowest responsive bid.

To qualify as a Kalamazoo County bidder, the bidder must meet both the following criteria:

1. Have a physical presence in Kalamazoo County by maintaining a permanent office, factory or other facility in Kalamazoo County with employees working in Kalamazoo County.
2. Have paid real or personal property taxes related to said business to the City of Kalamazoo, County of Kalamazoo or other municipal corporation within Kalamazoo County in the previous tax year, except that a non-profit entity need not meet this requirement.

This local preference policy applies only to purchases for materials, supplies, capital outlay, and services for maintenance, repair or operation of City facilities that are over \$25,000. If more than 50% of the contract is sub-contracted to firms located outside of Kalamazoo County that bid does not qualify for the local preference policy outlined above. The local preference policy will not apply if prohibited by law. The Purchasing Manager has the authority to finally determine if the bidder qualifies as a Kalamazoo County bidder as set forth herein. The Purchasing Manager may take into account the permanency of the business in Kalamazoo, and whether the business appears to be claiming to be a Kalamazoo County business solely or primarily to qualify as a Kalamazoo County business under this Resolution, and any other material factors.

2. AWARD AND AWARD CRITERIA

Award shall be made on an aggregate basis - not split. Utilization of these services by any department/division is subject to the availability of funding. To reduce the cost of travel time, the City will give higher priority to those facilities that are located within the Kalamazoo City Limits.

Bids will be considered only from those bidders who, in the opinion of the City, can show evidence of their ability to provide the desired services which includes, but is not limited to: Experience in providing similar services, centralized accessibility by all City departments/divisions, design and condition of vehicle washing equipment and the capacity of the facility and staff to manage a contract of this nature.

After bid opening and before award, the City may conduct a site visit of Contractor's facility to observe equipment and services provided and may, at time of visit, request a basic service car wash at no additional cost to the City.

Long waiting periods to obtain a vehicle wash is unacceptable to the City specifically the Department of Public Safety emergency vehicles. Therefore, the successful bidder will be expected to complete a normal wash, vacuum, inside window wash and wipe dry within a 15 to 20 minute maximum time limit not exceeding 20 minutes.
