**CITY OF KALAMAZOO
LOCAL PREFERENCE POLICY AND CERTIFICATION
PROFESSIONAL SERVICES**

When evaluating the qualifications of the responses received for professional service contracts, the location of Kalamazoo County professional firms will be given additional consideration. The City of Kalamazoo is the sole determiner whether a professional firm qualifies as a Kalamazoo County firm and the ranking of its qualifications as compared to the qualifications of the other professional firms being considered.

During the qualifications evaluation process, an additional weight of approximately two percent will be added to the qualifications of Kalamazoo County professional firms in recognition of the positive economic impact resulting from contracting with them. This weight is given over and above any score already given for location of the firm as it relates to increased efficiency and effectiveness as a result of the proximity of the firm to the City. It is understood, however, that due to the subjective nature of the qualifications evaluation process, and the number and weight of all criteria used, it is impossible to apply a precise, numerical local preference score to those proposals.

To qualify as a Kalamazoo County professional firm, the business must meet both the following criteria:

1. Have a physical presence in Kalamazoo County by maintaining a permanent office in Kalamazoo County and with employees working in Kalamazoo County.
2. Have paid real or personal property taxes related to said business to the City of Kalamazoo, County of Kalamazoo or other municipal corporation within Kalamazoo County in the previous tax year, except that a non-profit entity need not meet this requirement.

This local preference policy applies only to purchases for professional services that are over \$25,000. If more than 50% of the contract is sub-contracted to firms located outside of Kalamazoo County that proposal does not qualify for the local preference policy outlined above. The local preference policy will not apply if prohibited by law. The Purchasing Manager has the authority to make final determination if the bidder qualifies as a Kalamazoo County bidder as set forth herein. The Purchasing Manager may take into account the permanency of the business in Kalamazoo, and whether the business appears to be claiming to be a Kalamazoo County business solely or primarily to qualify as a Kalamazoo County business under this Resolution, and any other material factors.

CERTIFICATION

If you qualify as a Kalamazoo County professional firm and wish to be considered for the local preference provisions as provided above please certify that fact by providing the information requested below and attesting to its accuracy.

CITY OF KALAMAZOO EX-OFFENDER POLICY CHECKLIST

As part of the City’s commitment to reducing unacceptable poverty, encouraging rehabilitation, reducing recidivism and strengthening families in Kalamazoo, the City has updated its Purchasing Policy to ensure that firms with whom the City does business share in this commitment by utilizing hiring practices that do not unfairly deny people with arrest and conviction records gainful employment. *(Important: This requirement also extends to any subcontractors the bidder intends to use to fulfill the contract for goods or services being sought from the City.)*

Part I: Proof that the bidder does not inquire about an individual’s past arrest or criminal history on the bidder’s employment application form

- Attach a copy of the current application for employment being used by the bidder

Part II: Certification that the bidder does not use an individual’s past arrest or criminal history to unlawfully discriminate against them by checking *one or more* of the following:

- That pursuant to federal or state law bidder is precluded from hiring persons with certain criminal records from holding particular positions or engaging in certain occupations by providing a cite to the applicable statute or regulation; if checking this box, provide a citation to the applicable statute or rule upon which the bidder is relying: _____
- That bidder conducts criminal history background checks only as necessary, and only after making a conditional offer of employment; that any withdrawal of an offer of employment to an individual because of a past criminal history is job-related and consistent with business necessity after the individual has been provided an individualized assessment opportunity to review and challenge or supplement the history of past criminal conduct being relied upon by the bidder;
- That the use by bidder of criminal history background checks complies with the U.S. Equal Employment Opportunity Commission’s Enforcement Guidance on the Consideration of Arrest and Conviction Records in Employment Decisions and that the bidder has not had a determination rendered against it in past 7 years that it discriminated against a person through the use of an individual’s arrest or criminal history

**SECTION IV
SCOPE OF WORK AND REQUIREMENTS**

1. INTRODUCTION/OBJECTIVE

The City of Kalamazoo’s Economic Development Corporation (EDC) is a public entity formed pursuant to Public Act 338 of 1974 (the “Act”), that provides financing and other assistance for commercial and industrial development projects. Membership for the board meets each month for a public meeting in accordance with the Open Meetings Act.

RFP Summary. The EDC & the City of Kalamazoo are requesting proposals from qualified independent organizations, organizational partnerships, and individuals to set up a comprehensive Social Equity Cannabis Chamber. This Chamber will assist Cannabis businesses and the City of Kalamazoo with its Social Equity efforts (including the City’s Marihuana Social Equity Policy provided in Appendix B), while also focusing on profitability and safety. The chamber will form an Equity Committee/Board that works with the City regarding funding.

To promote economic development and social equity in the Northside, Eastside, and Edison (SPK) neighborhoods, local cannabis businesses will be incentivized to provide hiring and training initiatives for residents of these areas. The new Cannabis Chamber will establish a jobs board that will exclusively promote employment opportunities for SPK neighborhood residents. In addition, the Chamber will develop a workforce selection and training process that prioritizes the hiring and training of SPK residents and underrepresented individuals.

The EDC and the Chamber will also work together to develop community outreach and educational programs on health and safety with cannabis, as well as to educate employers on local and regional workforce concerns related to the cannabis industry.

Furthermore, the Chamber will provide workforce development training programs in the SPK neighborhoods and support the development of micro-home-based businesses in the community. These initiatives seek to promote social equity and increase economic opportunities for underrepresented individuals and groups in the SPK neighborhoods.

This Chamber will work in collaboration with the Economic Development Corporation to provide the development and delivery of training programs to equip underrepresented individuals, including Black, Indigenous, and People of color (BIPOC) with the knowledge, tools, and information needed to become owners and operators of their own cannabis businesses.

This Chamber and all of its personnel will perform contractual obligations for this program as independent contractors, not as employees of the City or EDC.

2. CONTRACT PERIOD AND EXTENSIONS

The contract shall be in effect for a three (3)-year period commencing on, or about, January 19, 2024 and continuing for 36 months; however, the City reserves the right to terminate the contract with or without cause.
