Contractor – Name of contractor if this project requires a building permit or check work to be done by owner

Proposed Work: What work do you plan to do? Please be as specific as possible including a complete description of the part of the structure where work will be done.

(Remember: Always apply for and obtain your "Certificate of Appropriateness" BEFORE you purchase materials for your project.)

Example #1: Rather than "Replace window."

Say "Replace lower sash of the left window in the front of the house on the first floor with a wooden sash to match the original." Also state the reason you need to replace rather than repair the sash. ("Sash severely damaged by football.")

Example #2: Instead of "New storm door"

Say "Install new white aluminum storm door on back of house to fit original opening in width and height." And include a drawing or photo of the proposed door – perhaps from a sales flyer or an order sheet. Specify the measurements of the width and height of the original opening.

Example #3: Rather than: "Fence front yard."

Say "Fence front yard with 3' tall Gothic top wooden pickets. Two gates to be installed with the same materials, at the front and north side sidewalks. Fence attached to front house corners."

These are relatively simple examples.

- Measurements are very important and may be part of the drawing
- Drawings should be black or dark blue ink on white paper
- Electronic submissions are encouraged.

A COMPLETE APPLICATION includes:

This application

Drawings as needed

Specifications of materials

Payment of a \$35 administrative review fee in addition to the building permit fee

Name of the contractor if this project requires a building permit Or indicate owner

* Please initial to verify this property has at least one working smoke detector for each dwelling unit. This is REQUIRED by state law or the application will be considered incomplete.

Emergency repairs: If damage occurs to a structure in a historic district, which requires emergency repairs, steps may be taken to secure the structure without the approval of the commission or the coordinator. Cover damaged windows or holes in a roof with tarps or wood to prevent further damage. Support dangling or loose elements or remove and store them. Notify the Coordinator of the damage to the structure on the first weekday available after the damage occurs and the coordinator will visit the structure as well as arranging a site visit by commission members to approve repairs if necessary. **THIS WILL BE DONE AS QUICKLY AS POSSIBLE IN ORDER TO FACILITATE REPAIRS OF THE STRUCTURE IN A TIMELY MANNER.**

If you have questions about completing this application for project review, please call the Historic Preservation Coordinator at (269) 337-8804 or by email at Penal@kalamazoo.org
