SANITARY SEWER OVERFLOW 2901 Westnedge Avenue

Kalamazoo, Michigan, July 16, 2016 – The City of Kalamazoo Department of Public Services personnel were notified at 1:28 pm on of a sanitary sewer overflow from a manhole located at 2901 S. Westnedge Avenue.

The Department of Public Services Field Services staff removed the blockage at 3:45 pm on July 16, 2016. The amount of material discharged from the sanitary sewer manhole is estimated to be about 411 gallons. Normal flow conditions in the sanitary sewer have been restored and the impacted area has been remediated.

Please call the Department of Public Services at (269) 337-8768 or (269) 370-8715 with questions related to the release.

As required by law, Water Reclamation Plant personnel notified the Michigan Department of Environmental Quality at the Kalamazoo District Office and the Kalamazoo County Environmental Health and Community Services of the spill.
